

# External Muntin Bar

External Muntin Bar

Introducing Allmetal's award-winning External Contour Muntin Bar, an exclusive Allmetal roll formed product. Our new take on this classic concept features a tough adhesive on the back side of the bar, allowing you to apply the unit onto both external surfaces of insulated glass.

## Features & Benefits:

- Roll forming (vs. extrusion) offers significant cost savings
- Simple peel and stick application makes installation quick and easy
- Rugged aluminum substrate never rusts or corrodes and is ideal for a variety of manufacturing processes
- Powder coat finish resists chipping and scratching, stands up to UV rays and doesn't fade
- Stands up to the harshest elements

## Aesthetic Benefits:

- Perfectly compliments SDL bars to replicate a divided light application
- External application adds dimension and prominence to insulated glass
- Available in our full line of powder coat colors

## Options:

- Roll formed product, no powder coat, no tape\*
  - Roll formed product, no powder coat, with tape
  - Roll formed product, with powder coat, with tape
- \*Muntins can be ordered with or without tape.

Allmetal can provide tape, pre-apply the tape, or pre-apply customer supplied tape.

## Muntin Bar Standard Colors\*

White R	202
Champagne	80
Tan	71
White 96	57
Porsche White	76
Bright White	51
Terratone A	103
Sandtone A	104
Bronze	60
Dark Brown	126
CNH Black	322
White 163	323
Green	39
Custom Gray	321

*\*Custom colors available upon request*

# External Muntin Bar

**Better for you. Better for Everyone.**

**A Significant Cost Savings over Extruded Muntin Bars.**

## The Environmental Benefits of External Muntin Bar:

- Powder coat process doesn't use any solvents and has no gas emissions
- Powder coat process allows for the recycling of overspray for less waste
- External application causes no out-gassing, resulting in a more environmentally friendly IG solution

	Packaging Information			Specification In Inches	
	External	Pieces Per Shipping Carton 12'8" Lengths	Linal Feet Per Shipping Carton 12'8" Lengths	A	B
Mill	5/8"	110	1393	.625	.290
	1"	100	1267	1.000	.290
	1 1/4"	55	697	1.250	.290
